RE: Label reels with pre-applied adhesive in register trials

Dear Sirs,

following the performance trials held in the R&D department of PE LABELLERS S.p.A. Porto Mantovano (MN) on 30<sup>th</sup> of January 2012, having the objective to certify the quality and conformity of the application on PET bottles of pre-glued labels in rolls (ADHESLEEVE ® TECHNOLOGY) produced by TOPFER KULMBACH GMBH,

we hereby confirm

Label application on bottle :       successful  
Amount of applied adhesive :       successful  
Quality of applied adhesive :       successful  
Reel unwinding :                   successful

As above PE LABELLERS S.p.A.

CERTIFIES AND CONFIRMS

the industrial capacity of TOPFER KULMBACH GMBH and

APPROVE

TOPFER KULMBACH GMBH for the production of the label reels with pre-applied adhesive  
in register

  
Nicola Schinelli  
Head of R&D Department
